**UNITED STATES DISTRICT COURT**  
**CENTRAL DISTRICT OF CALIFORNIA**  
**WESTERN DIVISION**

ARGITAL S.R.L. and ARGITAL DI G.  
FERRARO E C. S.N.C.,

Plaintiffs,

v.

ARGITAL USA and TORSTEN  
KUNERT,

Defendants.

Case No.: 2:17-CV-01984

**COMPLAINT**

Jury Trial Demanded

1 **COMPLAINT**

2 Plaintiffs Argital S.r.l. and Argital Di G. Ferraro E C. S.N.C. (collectively  
3 “Plaintiffs” or “Argital”), by and through their undersigned attorneys, for their  
4 Complaint against Defendants Argital USA and Torsten Kunert (collectively  
5 “Defendants” or “Kunert”), allege as follows:

6 **NATURE OF THIS ACTION**

7 This is a civil action for trademark infringement, unfair competition, and  
8 commercial disparagement/trade libel. After Plaintiffs terminated their distribution  
9 agreement with Torsten Kunert, Defendants, in violation of federal and state statutes  
10 and common law, willfully and knowingly infringed and are continuing to infringe  
11 upon Defendants’ federally registered trademark and common law rights. Defendants  
12 further made false statements designed to damage Plaintiffs’ reputation and sales. As a  
13 result, Plaintiffs have been and will continue to be damaged by Defendants’ unlawful  
14 conduct unless enjoined by this Court.

15 **THE PARTIES**

16 1. Plaintiff Argital S.r.l. is an Italian limited liability company with its  
17 principal place of business located at Via Della Tecnologia, 9, c/da Fargione Zona Asi.

19 2. Plaintiff Argital Di G. Ferraro E C. S.N.C. is an Italian partnership with its  
20 principal place of business located at Via Fratelli Bressan, 21, Milano, Italy, I-20126.

21 3. Upon information and belief, Defendant Argital USA is a company with  
22 its principal place of business at 18444 Collins Street #6, Tarzana, California 91356.

23 4. Upon information and belief, Defendant Torsten Kunert is an individual  
24 residing at 18444 Collins Street #6, Tarzana, California 91356.

25 **JURISDICTION AND VENUE**

26 5. This Court has personal jurisdiction over Defendants by virtue of  
27 Defendants, upon information and belief, residing and transacting business in the State  
28 of California and in this District.

6. The subject matter jurisdiction of this Court over Counts I and III rests upon causes of action arising under the Trademark Act of 1946 (as amended), 15 U.S.C. §§ 1051 et seq. Therefore, this Court has original jurisdiction over these Counts pursuant to 15 U.S.C. § 1121, and 28 U.S.C. § 1338(a).

7. Counts II and IV-VI are joined as substantial and related claims, and accordingly, subject matter jurisdiction for these Counts is conferred upon this Court pursuant to 28 U.S.C. § 1338(b) and the doctrine of pendent jurisdiction.

8. Venue is proper in this judicial district pursuant to 28 U.S.C. § 1391.

### **FACTS COMMON TO ALL COUNTS**

#### **Plaintiffs' Activities**

9. Founded in 1979 by Dr. Giuseppe Ferraro, Plaintiffs develop and manufacture green clay based natural cosmetics from quarries in Sicily, Italy. They use the highest quality raw materials, pure spring water instead of purified water, and no preservatives, colorants, or synthetic perfumes.

10. Plaintiffs produce over 150 different products, including green clay powders, personal hygiene, baby, anti-cellulite, and facial products. They then directly distribute such products throughout the world and through their authorized distributors.

11. Over the years, as a testament to the integrity of their products and business practices, Plaintiffs have received a variety of certifications, including: (i) BDIH, a natural cosmetics certification; (ii) DEMETER, an internationally recognized quality certification for products with raw materials coming from the Biodynamic agriculture; (iii) ICEA, ethical and environmental institute certification; (iv) LAV, defense of life and rights of animals certification; (v) VEGAN, ethical products that do not contain animal origin ingredients certification; and (vi) ECOCONTROL, organic and natural raw materials used in cosmetics certification.

12. Plaintiffs are featured on the People for the Ethical Treatment of Animals' (PETA) website as a company that is cruelty-free and does not test on animals.

1           19. In late December 2015, Defendant Kunert requested an updated distributor  
2 price list for 2016 from Plaintiffs. In response, on January 4, 2016, Plaintiffs advised  
3 Defendant Kunert that they preferred “not to continue [the] business relationship with  
4 [him] due to the bad trend of Argital sales in USA.”

5           20. On January 8, 2016 and pursuant to the terms of the Distribution Contract,  
6 Plaintiff Argital S.r.l. officially notified Defendant Kunert that it was providing him 60  
7 days written notice of the termination of the Distribution Contract.

8           21. After the January 8, 2016 termination notice, Defendants began harassing  
9 Plaintiffs and their business partners.

10          22. After the Distribution Contract termination notice period ended on March  
11 8, 2016, Defendants have continued to offer for sale, sell, and advertise Plaintiffs’  
12 products and use Plaintiffs’ name and marks in violation of Plaintiffs’ intellectual  
13 property rights.

14          23. Defendants also operate a YouTube channel, ArgitalUSA, with numerous  
15 videos threatening Plaintiffs and their business partners, as well as containing false  
16 statements about Plaintiffs and their products in an attempt to damage Plaintiffs’  
17 reputation and business.

18           **A. Defendants’ Harassment and Smear Campaign Against Plaintiffs**

19          24. For example, in a January 8, 2016 email, Defendant Kunert threatened to  
20 turn Plaintiffs’ retailers and distributors against them. He further threatened to submit  
21 press releases to Italian newspapers and post videos and blogs to create a “publicity  
22 nightmare” for Plaintiffs. Finally, despite the termination notice, Defendant Kunert  
23 stated that he would continue to sell Plaintiffs’ products.

24          25. On January 15, 2016, Defendant Kunert threatened to file complaints  
25 against Plaintiffs and their resellers/distributors in court, with the U.S. Department of  
26 Commerce, and with the Food and Drug Administration. Defendant Kunert further  
27 stated that he was “launching a series of complaint videos” against Plaintiff and their  
28 resellers/distributors. Defendant Kunert closed his email by threatening that Plaintiffs’

1 “reputation in the media, [Plaintiffs’] integrity, [Plaintiffs’] style of business will be  
2 highly questionable after i [sic] am done with [Plaintiffs’] company.”

3 26. On March 25, 2016, Defendant Kunert again stated that he would not  
4 follow or adhere to Plaintiffs’ termination notice. He claimed to have filed suit against  
5 Argital S.r.l., Dr. Guiseppe Ferraro, and Plaintiffs’ Italian lawyers. Neither Plaintiffs  
6 nor their attorneys, however, were ever served with a lawsuit.

7 27. On March 29, 2016, Defendant Kunert warned Plaintiffs that if they did  
8 not mediate with him, Plaintiffs and their Italian counsel “stand to lose many future  
9 clients through the publicity campaign” that Defendants were about to engage in.

10 28. On May 31, 2016, Defendants posted a video to their YouTube channel,  
11 ArgitalUSA, titled “Argital nightmare. Cheap pricing and products from China.” In the  
12 video, Defendant Kunert makes false statements and misrepresentations regarding  
13 Plaintiffs and their products for the purpose of disparaging Plaintiffs and hurting their  
14 sales. For instance, Defendant Kunert states that “the very big problem with Argital is  
15 that you will get ‘the product,’ if it is the product, at a fraction of the price from China.  
16 Argital, as we found out, the US distributor, there is just absolutely no way of trying to  
17 conduct proper business on an international scale because this company has zero regard  
18 for their pricing. It is all over the show, and again by doing so, they really don’t have  
19 any regard over the quality control because when these cheap products or ‘Argital  
20 products’ come from China you have to ask yourself, is it the original, is it pirated, is it  
21 changed, is it watered down, did they open it up and alter it? So you really don’t know  
22 what you are getting and for us it is time to get out because this company has zero  
23 integrity. ... they do what they wish with their brand, to me, leads to the downfall of the  
24 company. Your prices have to be consistent, your quality has to be consistent, and  
25 these two things are not upheld.”

26 29. Defendants have posted numerous other videos making similar false  
27 claims about the country of origin of Plaintiffs’ products, the quality of Plaintiffs’  
28 goods, and Plaintiffs’ business practices.

1           30. On June 15, 2016, Defendant Kunert claimed that Defendants “have  
2 started a worldwide, Argital boycott, also warning people about cheap Argital products  
3 shipped from China, Hong Kong and Japan via Amazon. [Defendants] will be  
4 launching a further 150 boycott videos in the next 2 weeks, one for each product.  
5 Videos are also translated into Italian and German.”

6           31. Defendants have posted over 20 videos on their YouTube channel,  
7 ArgitalUSA, requesting that consumers and prospective distributors boycott Plaintiffs,  
8 Plaintiffs’ products, and Plaintiffs’ retailers/distributors.

9           32. Defendants have further posted over 20 videos on their YouTube channel,  
10 ArgitalUSA, stating that they have filed lawsuits against Plaintiffs and their  
11 distributors. Upon information and belief, these statements are false and made for the  
12 purpose of damaging Plaintiffs’ reputation and hurting their sales. Plaintiffs have not  
13 been served with any lawsuit and are not aware of any of their distributors being served  
14 with lawsuits.

15           **B. Defendants’ Infringement of Plaintiffs’ Trademarks**

16           33. The Distribution Contract states that Defendants’ rights to use Plaintiffs’  
17 trademarks, trade names, or distinctive signs “shall cease immediately for [Defendants]  
18 on expiration or termination, for any reason, of the present contract.”

19           34. As stated above, Defendants stated on numerous occasions that they would  
20 not accept Plaintiffs’ lawful termination notice.

21           35. Defendants continue to use Plaintiffs’ name and marks and sell Plaintiffs’  
22 branded products without authorization, including through the website  
23 [www.argitalusa.com](http://www.argitalusa.com).

24           36. Defendants further utilized Plaintiffs’ marks and promoted/offered  
25 Plaintiffs’ products for sale without authorization through postings on Defendants’  
26 YouTube channel, ArgitalUSA. For example, on April 15, 2016, Defendants posted a  
27 video called “Enjoy 50 % off all products at ArgitalUSA.com with coupon code  
28 Argital50.” At the end of the video, as shown in the screenshot below, Plaintiffs’

marks and products are prominently displayed and it states that these products are “Natural Cosmetics from Italy”:
